Armas De Mano
Filipino Arts Academy

Welcome to our 14 th annual Midwest Filipino Arts Camp 2017. Join your host **Guro David Greco**, an Instructor and Midwest Representative for various styles of Filipino Arts in the Midwest as he invites practitioners from all styles and systems of study to this spectacular event. We will keep the action live, and provide the new student the opportunity to learn the basics without feeling overwhelmed. This year continues to expand upon previous camp drills and techniques with the addition of some blending of Indonesian Silat. And as always, no previous experience is required.

We encourage you to bring a friend to work with you at the camp, or your existing instructor to increase their individual knowledge base.

Safety glasses are required for all attendees to avoid potential eye injuries. We have plenty to hand out if necessary.

Camp Instructor:

Guro David Greco (Host) has been training in the Filipino Arts for 20 years and a recognized instructor in various systems of Filipino Arts. He holds Instructor Certification under Guro Dan Inosanto in Kali, and various certifications in other Filipino-based systems. As the founder of the **Armas de Mano Academy**, Guro has held the Midwest Filipino Arts Camp over the past 14 years with support of students from all over the country.
